The Green Kilometre Scheme

In response to requests from numerous community groups and individuals throughout the county, Meath County Council has created the Green Kilometre Scheme. The scheme invites individuals and groups to choose approximately a kilometre stretch of road in their area and commit to maintaining the chosen stretch over the course of the year. Meath County Council will support any group or individual who would like to get involved by supplying native trees, litter pickers, bags and gloves. Once restrictions allow, the Council can arrange for an advisor to visit and give advice in relation to planting and taking care of heritage features. To get involved visit meath.ie and download the Green Kilometre Participation form.
